Weight Advanced Placement Courses?

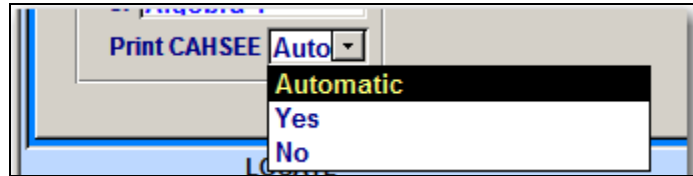

- When the **Hide Advanced Placement Tags** is OFF the Advanced Placement courses will be tagged with "a" to the left of the course number. For example course 0712 below displays **a** and **p** to the left of the course which indicates this course is Advanced Placement and College Prep. Also, the legend will now include it if the option is OFF. If the option is turned ON the Advanced Placement tags will no longer print and Legend will no longer display **Advanced Placement**.
