

# Aeries System Compatibility Chart

*last updated: 2/1/2017*

Office Versions		
Bit:	32	64
Office 97	N	NA
Office 2000	N	NA
Office XP	N	NA
Office 2003	N	NA
Office 2007 <sup>1</sup>	✓	N
Office 2010 <sup>1</sup>	✓	N
Office 365	✓	N

Key	Status
✓	Supported.
N	Not supported.
NR	Not recommended, but might work.
NA	Not an available platform.
Testing	Currently testing for compatibility. Eagle Software does not recommend using this platform until fully tested.

<sup>1</sup> These versions require at least SP 1 with a Microsoft hotfix also installed. See [www.aeries.com/FAQ](http://www.aeries.com/FAQ).

Workstation Operating Systems		
	Aeries Client	Web Clients <sup>2</sup>

Windows XP	NR	NR
Windows Vista (32 bit)	NR	NR
Windows Vista (64 bit)	NR	NR
Windows 7 (32 bit)	✓	✓
Windows 7 (64 bit)	✓	✓
Windows 8.X (32 bit)	✓	✓
Windows 8.X (64 bit)	✓	✓
Windows 8.X (RT)	NA	NR
Windows 10	✓	✓
Mac OSX 10.5+	NA <sup>3</sup>	✓

Additional Notes
Eagle Software is committed to supporting a wide range of environments. However, we suggest that all end-user workstations have the recommended specifications as determined by the manufacturer. The minimum required monitor resolution for all Eagle Software products is 1024 x 768.

<sup>2</sup> Please refer to the Aeries.net compatibility chart for more information.

<sup>3</sup> Available with an additional HTML5 client, e-mail [sales@aeries.com](mailto:sales@aeries.com) for more information.
